

SCIENTIFIC PROGRAM

SCIENTEX CONFERENCES
Where Holistic Knowledge Blooms

2nd International Conference on **Pediatrics and Child Health**

Theme: From Prevention to Precision: Global Advances in Pediatric and Neonatal Care

Date

May 07-08, 2026

Venue

Kuala Lumpur, Malaysia

SCAN ME

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

About Conference

We are delighted to welcome you to the **2nd International Conference on Pediatrics and Child Health**, scheduled to take place in the vibrant city of **Kuala Lumpur, Malaysia**, on **May 07–08, 2026**.

Building on the success of our inaugural edition, this global gathering will continue to spotlight the interconnected fields of pediatrics and child health. The conference serves as a premier platform for pediatricians, healthcare professionals, researchers, academics, and policymakers to share groundbreaking research, clinical innovations, and best practices aimed at improving child health outcomes worldwide.

Our aim is to unite pediatric professionals across the globe to advance pediatric care through knowledge exchange, collaboration, and innovation.

Join us in Kuala Lumpur for this impactful event and contribute to shaping the future of pediatric and child healthcare on a global scale!. [\(click here for more\)](#)
