Where Holistic Knowledge Blooms

# 2<sup>nd</sup> International Webinar on Pediatrics and Child Health

Theme: From Prevention to Precision: Global Advances in Pediatric and Neonatal Care

**Date**

May 21-22, 2026

**GMT +8**

(Kuala Lumpur, Malaysia)

SCAN ME

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

## About Webinar

We are pleased to invite you to the **2<sup>nd</sup> International Webinar on Pediatrics and Child Health**, taking place **virtually on May 21–22, 2026**, according to the **Kuala Lumpur time zone (GMT+8)**.

Theme: *“From Prevention to Precision: Global Advances in Pediatric and Neonatal Care”*

This highly anticipated follow-up to our inaugural event brings together professionals from around the world to explore the evolving landscape of pediatrics and child health. The webinar provides an excellent platform for pediatricians, clinicians, researchers, healthcare experts, academics, and policymakers to share insights, present new findings, and exchange strategies for advancing care in pediatric and neonatal medicine.

Our aim is to foster global connections among pediatric professionals and enhance child healthcare through collaborative dialogue, innovation, and the exchange of knowledge.

Be a part of this inspiring virtual gathering and contribute to the ongoing transformation of pediatric and child health on a global scale!. [\(click here for more\)](#)
